- EN 50173-1:2002

Standard for flame retardancy

- IEC 60332-1-[1,2] (2004-07)

Technical reports

DELTA-N312185-01, DANAK-19J1603

Manufacturer code

0586B

This product has been tested by the EC (European Cabling) group of DELTA and complies with the requirements of the above specified standards. Furthermore, it complies with "Terms and conditions for use of the EC VERIFIED marking on generic cabling products", DQP231006. The product takes part in a maintenance of qualification schedule which implies that the EC (European Cabling) group performs a quality audit of the manufacturer's production and QA sites. The maintenance testing of the product is performed on a sample basis. For detailed information see www.delta.dk/cable. The certificate is valid until 20 November 2007.
